Annual General Meeting.

Notice is given to members of the Annual General Meeting of the Civil Service Archery Society to be held on Friday 14th September in Belfast. The meeting will be convened during the interval of the Civil Service Archery Championships.

Wales Millennium Centre

CSSC Conference

A reminder to all members to pay their CSAA membership fees in cash or cheque that the fees for 2007/08 were due on the 1st July. If payment has not been received by 1st August the membership will lapse. If you are also a member of the CSSC and hope to compete in the National Finals in September...

Nominations are requested for posts prior to the meeting. Please advise the Secretary if you are prepared to stand. Competent items of business that members wish to raise should be received by the Secretary by 17:00 25th August 2007.

Andy Beecher, Secretary

Len Furbank and I represent the CSAA at the CSSC Conference in Cardiff in May. The conference will be a lightweight on competition with the major championships plan. This involves association planning for next year's expenditure with any concerns over the continuing of CSSC clubs and the sports that accompany them.

2007 NATIONAL CHAMPIONSHIPS

5 g m c i k] \ U f Y U X m _ b c k z h \] g m Y U f N g 7 on the sports ground, which is part of the Stormont Estate. If you have not yet k] \ U j Y a] g g Y X h \ Y X Y U X] b Y Z c f V c c _] produce a room. As a reminder, all Regional Champions, both recurve and compound (recurve) and the next score(compound) will have won the rights to T&S at C both memberships are current!

Opinions expressed by me are my own and do not necessarily coincide with those of the CSAA or CSSC. During the lunch break, the Annual General Meeting of the CSAA will be held, followed by the CSSC AGM. I am not aware of any really contentious issues on the agenda, but, you should ensure that only items properly notified are taken, but I am sure that your presence will ensure correct standards in control of the meeting!

Continued overleaf:

2007 Nationals Cont: ARTHUR MANN

I am also expecting repeats of our previous two visits to the province in respect of the level of hospitality extended by NICSSA with the prize giving and dinner in the Bernard Sinclair Pavilion on the Friday. Barring a complete absence of replacement for Chairman and the probable passage of eight or nine years, this will be my last visit to Belfast, I intend to make the most of it!!

Bernard Moore.

Arthur lost his long battle with cancer at the end of May. He had been kind enough to let me know of his ill health and the likely outcome, but it still came as a shock to me. Arthur and his wife Mavis moved to their home in the Forest of Dean and they had a great interest in archery with the Whitecross Archers; other CSAA members and Harry and Ivy Gordon. It is of more than passing interest that one of the shooting in the bow under the tutelage of Mavis and Arthur was Kay Smith, a replacement for Chairman and the probable passage of eight or nine years, this will be my last visit to Belfast, I intend to make the most of it!!

The Manns first got into archery in Kent in 1967: their Son Nigel had been in the Wells, Weald Archers and that became very successful, particularly in the coaching group, still responsible for all instruction in that County. Arthur also was a member, as Tournament Organiser.

Arthur started his working life as a telegram boy, in much the same way as the Ryland, CB, CSAA President prior to Sir Anthony. He very soon realised his potential and moved to Senior Management posts. He leaves Mavis and their son; we offer our sincere condolences and thanks for all that Arthur contributed to the sport.

Bernard Moore

2007 REP MATCHES

The first two of these have taken place already; unusually, they were held within one event on Friday 13 July at RAF Cranwell to assist the two opponents in fielding their teams than is often the case. The Friday proved correct for the weather, as it was wet for the shooting, but not so much for the result(s) of the 201 and PAAS 6517. The Police were successful in both matches against PAAS and the Police included one gent on the make of the two teams different to suit our opponents, the total CSSC contingent numbered 20 archers; they were: Baily, Kay Smith and Pat Spragg and Adams, Robert Gantley, Peter Durtnall, Robin Jarvis, M Knowles, John Lane and Dave. In the PAAS match I moved with their organiser, Steve Wild that our teams of nine would consist of one discard in each discipline of recurve and compound bows, whereas the Police were unable to field any ladies on the day and

also short of one gent recurve as had been their original intention. However, we can repeat the Tankard. (However, the Hood Tankard for coming to the aid of the CSSC archers proved highly successful for the CSSC archers took 1st in all categories and many of the 2nds as well! As to the result(s) of the 201 and PAAS 6517. The Police were successful in both matches against PAAS and the Police included one gent on the make of the two teams different to suit our opponents, the total CSSC contingent numbered 20 archers; they were: Baily, Kay Smith and Pat Spragg and Adams, Robert Gantley, Peter Durtnall, Robin Jarvis, M Knowles, John Lane and Dave. In the PAAS match I moved with their organiser, Steve Wild that our teams of nine would consist of one discard in each discipline of recurve and compound bows, whereas the Police were unable to field any ladies on the day and

on their ground Burnham, Bucks, will be my last visit to Belfast, I intend to make the most of it!!

Yours truly admiring the bikes at the CSSC in Cardiff last May. These were prizes in the Royal Tex on Saturday 25

CSAA Regional Qualifier Results

Results of the CS NW Regional Archery Championships held at Rochdale Rugby Club on Sunday 17 June 2007 which was a fine day:
